

Cancellation & Refund Policy

Web Gecko — Your Rights and Our Obligations

Document: WG-CAN-001
ABN 32 300 992 377
14 May 2026

This Policy outlines cancellation terms for all Web Gecko services. Australian Consumer Law rights are not excluded by this Policy. Where ACL rights apply, they take precedence.

1. Website Build — Deposit

The deposit paid to commence a website build project is **non-refundable**. The deposit covers the cost of initial design, scoping, research, and project setup work performed by Web Gecko prior to and during the early stages of the project.

If the Client wishes to discontinue the project after paying the deposit but before the website is complete, no refund of the deposit will be issued. Any work completed up to the point of cancellation remains the property of Web Gecko unless the full project price has been paid.

2. Website Build — Final Payment

If the Client has paid the final project payment and subsequently requests cancellation before the website is launched, a partial refund may be considered at Web Gecko's discretion, less the cost of all work completed to that point. No refund is available once the website has been launched live.

3. Monthly Hosting & Maintenance

Monthly hosting and maintenance services operate on a month-to-month basis with no lock-in contract. To cancel:

- Provide written notice via email to hello@webgecko.au or via the client portal at least **7 days before** the next billing date
- The service will continue until the end of the current paid billing period
- **No refunds are issued for partial months** — if you cancel mid-cycle, the service continues until the period end
- The website will be taken offline within 30 days of the final billing period ending, unless a handover package is arranged

Clients who wish to transfer their website to another provider may purchase a handover package. Options and pricing are available in the client portal under 'Manage Subscription'.

4. Social Media Management

Social media management services operate on a month-to-month basis with no lock-in contract. To cancel:

- Provide written notice via email to hello@webgecko.au or via the client portal at least **7 days before** the next billing date
- The service will continue until the end of the current paid billing period
- **No refunds are issued for partial months**
- Upon cancellation, the Client may elect either a Full Account Handover (fee applies) or Stop Management (no charge)

Details of social media offboarding, including account credential transfer, are set out in the Social Media Management Agreement (WG-SOC-001).

5. Handover Packages

Clients cancelling services may purchase the following handover packages:

Package	Inclusions	Fee
Full Website Handover	Domain transfer, clean HTML export, final fix pass, setup guidance for new provider	50% of original build price
HTML Export Only	Clean standalone HTML file — no domain transfer or support	20% of original build price
Social Account Handover	Gmail credential transfer, platform sign-out, signed confirmation email with proof	\$299 one-off
Remove Only	Removal from Web Gecko systems. No assets transferred.	Free

6. Rejoining Web Gecko

Clients who have previously cancelled and wish to re-engage Web Gecko services are welcome to do so. However, rejoining requires:

- Completing the full onboarding process from the beginning
- Paying the standard setup/build fee at the prevailing rate at the time of re-engagement
- Entering into a new service agreement under the then-current Terms and Conditions

No discounts, credits, or preferential rates are available based on prior engagement. There are no shortcuts or fast-track options for returning clients.

7. Australian Consumer Law

Nothing in this Cancellation & Refund Policy limits, excludes, or modifies any consumer guarantee, right, or remedy available under the Australian Consumer Law (ACL) that cannot be excluded by agreement. Where the ACL applies, the Client's rights under the ACL take precedence over this Policy.

If a service is not provided with due care and skill, or is not fit for the stated purpose, the Client may be entitled to a remedy under the ACL regardless of the terms of this Policy.

8. How to Cancel

To initiate cancellation, use one of the following methods:

- **Client portal:** Log in at [webgecko.au/c/\[your-slug\]](https://webgecko.au/c/[your-slug]) and navigate to 'Manage Subscription'
- **Email:** Send written notice to hello@webgecko.au with your business name and the service you wish to cancel

Cancellation is not effective until confirmed in writing by Web Gecko. Web Gecko will confirm receipt within 1 business day.
